

Ohio Girls Golf Foundation Clinics

The Ohio Girls Golf Foundation (OGGF) is offering instructional clinics to inform, educate and expand your knowledge and skills in all aspects of golf. Girls ages 8-18 are eligible to participate in these comprehensive clinics. The format includes instruction for every skill level from beginner to advanced and examines all of the game from full swing to short game to putting. Each of the clinics features experienced PGA or LPGA instructors who work closely to provide the best learning environment with an excellent student/teacher ratio.

This year the OGGF is offering the clinics at six locations throughout the state on Saturdays in April. Cost for each clinic is \$15, with a special price of \$50 for girls who wish to attend all four. You can register online at www.oggf.org or send in the registration form below. Check confirmation on www.oggf.org (please allow 7-10 days for posting after you mail in form).

As part of our Ongoing Instruction Program, girls who participate in the spring group lessons will have an opportunity to continue working on their skills through private lessons, partially funded by the Foundation. Look for details on www.oggf.org.

If you have questions, contact OGGF Executive Director Judd Stephenson at (440) 871-4638 or e-mail juddstephenson@yahoo.com. Find out more about the clinics and the Foundation at www.oggf.org.
