

Ohio Girls Golf Foundation Clinics

Saturdays, April 7, 14, 21, 28

Clinics are held at seven locations throughout the state

Dear Fellow Golfer,

Spring is just around the corner...and the Ohio Girls Golf Foundation is gearing up for its Spring Clinics offering girls an opportunity to hone their golf skills.

We have added a couple of new locations so more girls ages 8 to 18 years old can benefit from these hands-on instructional clinics (see the seven locations in the screened box). Taught by PGA and LPGA Professionals, the clinics are geared to inform, educate and expand girls' knowledge in all aspects of golf. Whether you are a beginning golfer or advanced player — you will learn skills ranging from full swing to short game and putting. The cost is \$15 per clinic or \$50 for all four.

And girls who participate in our Spring Clinics are eligible to take part in the Ongoing Instruction Program, in which they can take private lessons throughout the year with PGA Professionals, partially funded by the Foundation.

Reserve your place at the tee! Register online at OGGF.org, or fill out and mail the form below.
